

1. Please **click on the username**, select „**Certificate**“ and „**Renew**“. In case of using Profibanka application please confirm (with button „yes“) the message about redirection into the certification wizard application.
2. Enter the PIN code and click on „**Continue**“
3. Please wait till the end of next step, where you can click on button „Continue“ again. Afterwards please follow steps from page no.2

The collage consists of several screenshots from the Profibanka application:

- Top Left:** A navigation menu with 'Renew certificate' highlighted. A red circle with '1' is next to it.
- Top Middle:** A user profile header with 'Data2 Test Stápan' and a 'Certificate' menu item. A red circle with '1' is next to the 'Certificate' item.
- Top Right:** A notification 'Your certificate will expire in 10:18' with a 'Renew' button. A red circle with '1' is next to the 'Renew' button.
- Middle Left:** A 'Certificate renewal wizard' screen with an 'Enter PIN' field. A red circle with '2' is next to the PIN field.
- Middle Right:** A 'Smart card replacement' screen with a 'Continue' button. A red circle with '3' is next to the 'Continue' button.
- Bottom Left:** A 'Certificate renewal' screen with a 'PIN' field. A red circle with '2' is next to the PIN field.
- Bottom Middle:** A 'Smart card replacement' screen with a 'Continue' button. A red circle with '3' is next to the 'Continue' button.
- Bottom Right:** A confirmation dialog box asking 'To extend the validity of your smart card personal certificate, the Certification wizard will open. The Profibanka application will be closed. Do you want to continue?' with 'Yes' and 'No' buttons.

4. Please select „On-line certificate validity extension“ at the bottom of the page.
5. **Please replace smartcard in the reader. Remove you current smartcard and insert new smartcard with requested serial number into a reader. Afterwards please enter new PIN code which was provided together with new smartcard.** After the PIN entering please click on **Continue**.
6. Please wait till the new certificate is created.
7. At the bottom of the page please click on „**I accept the certificate**“
8. Certificate 's validity extension is completed and you can start to use your new smartcard.
